

Become a Macc member!

Don't forget to become a Macc member. This is a new scheme and **everyone needs to apply**. **Membership is free**. We work with organisations and individuals across Manchester and aim for our membership to reflect the diversity of the many communities in the city.

Benefits of membership

- Enhances the transparency and accountability of Macc's governance structure
- Provides a constant source of Macc trustees
- Ensures Macc has consistent awareness of the needs of voluntary, community and faith groups
- Improves Macc's advocacy role with public bodies by demonstrating the impact of the sector
- Enables individuals to be more involved in their local communities
- Supports local community action and develops fundraising opportunities
- Encourages co-operation within the sector and develops a platform for consortium and collaborative working

We have two levels of membership, **Full** and **Affiliate**.

Full membership is open to any constituted voluntary, community or faith group that shares the vision and values of Macc. Full members:

- Have the right to vote at the Annual General Meeting or an Extraordinary General Meeting and can nominate potential trustees for the Board
- Are entitled to membership of the **Voluntary Sector Assembly**

Affiliate membership is open to any group or individual that shares the visions and values of Macc. Affiliated members have no voting rights.
