CALICO

Calico is working together with Transport for Greater Manchester to develop a virtual reality (VR) training tool aimed at helping address gendered violence on public transport.

Help make a difference

Calico is inviting women, girls and the LGBTQIA+ community aged 18+ to take part in focus groups to share their experiences using the Bee Network.

Apply to take part and if you're chosen, you'll receive £50 for your travel and time.

Who is Calico?

Calico is an award-winning social enterprise that uses creativity to combat gendered violence.

Using creativity, Calico helps people to see differently, think differently, and act differently. They bring virtual reality, short films and live theatre into unusual places, like police training rooms, schools, the House of Commons or public spaces. They connect people with lived-experience to the policymakers.

Calico is acting as a data processor on behalf of Transport for Greater Manchester, details of how TfGM process personal data can be found at: beenetwork.com/privacy-policy
