

Transnational Families in Europe

Care, Inequalities and Wellbeing

You are warmly invited to our event

Caring in migrant families: Key messages and film screening

Friday 29th November 2024 | 11am – 2pm

Room Aston 1, Central Hall Manchester

Welcome!

Please join us for this event to hear about the key messages from our project on *Care, Inequalities and Wellbeing among Transnational Families in the UK, Spain, France and Sweden*.

Lunch and refreshments will be provided. Families with children are welcome.

What will we do?

We will share the key messages from our research and launch the final report and recommendations. We will also show short films about the experiences of families involved in the research and the changes they want to see. The films were co-produced with family participants and Rank and File theatre.

Themes include:

- language barriers in accessing healthcare
- young caregiving and language brokering in transnational families
- challenges of accessing English for Speakers of Other Language courses
- barriers to family visits and family reunification.

There will be an opportunity to ask questions and discuss the project with team members from the University of Leeds, University of Reading and partner organisations. Website: <https://research.reading.ac.uk/transnational-families/>

Where?

The event will take place at **Room Aston 1, Central Hall Manchester:**

[Central Hall Manchester](#)

Central Buildings,

Oldham Street

Manchester, M1 1JQ

More information
