

Participants needed

to improve awareness of lung cancer

Do you currently smoke?

If so, we'd like to hear your thoughts about a new campaign to raise awareness of lung cancer amongst people who do not smoke.

Why are we doing this project?

We want to see what people who smoke think about the new messaging we have developed for a lung cancer awareness campaign for people who have never smoked

What's Involved

- Take part in a telephone interview with a researcher
- The interview will take 30-60 minutes
- You will receive £10 for taking part.

Can you take part?

- ✓ Over 16 years of age
- ✓ Never had lung cancer
- ✓ Currently smoke on a regular basis

How to take part

For more information, please use the QR code or link on this poster. If you are interested, you will be asked to complete a short questionnaire about your background. We have limited spaces so not everyone who completes the questionnaire will be asked to take part.

To apply please follow the link/QR code below:
