

## Would you like to help people and services understand your culture and community?

Just Psychology, in partnership with Survivors Manchester, are looking to recruit Cultural Consultants from Chinese, Somali and Eastern European communities.

---

### Benefits of the scheme:

- Receive training on working across cultures, counselling skills and how health care systems work
- Raise awareness of key health issues at a variety of events
- Support professionals to understand your culture and community
- Paid position

---

### You will be:

- Able to offer information, advice and raise awareness
- Able to understand the barriers to services for people from different cultures
- Able to talk about complex or distressing information sensitively

Email [info@justpsychology.co.uk](mailto:info@justpsychology.co.uk) for more information on how you can get involved

Just Psychology will be holding an open day for people who are interested in finding out more about the role of cultural consultants.
