

# The Bread Project

## *DEP... Delivering global learning for active citizens creating a just and sustainable world*

- Development Education Project (DEP) IS a development education centre with a geographical coverage across Greater Manchester.
- We are part of a national consortium of over 30 DEC's nationally
- There are seven DEC's across the North West.

### **WHAT?**

DEP has been funded by WEA/ESF to deliver this NEW community learning project. The project will run as a 10 week programme on a weekly basis for one day a week and the guided learning hours will be 30hrs with additional support available for one to one support. The participants will increase their numeracy and literacy skills through the process of the bread making from around the world, exploring and sharing the history and culture of bread making. The Bread making is run by 'Development Education Project' [www.dep.org.uk](http://www.dep.org.uk) in collaboration with 'Cracking Good Food' ([www.crackinggoodfood.org](http://www.crackinggoodfood.org)) The Bread making is run by 'Development Education Project' [www.dep.org.uk](http://www.dep.org.uk) in collaboration with 'Cracking Good Food' ([www.crackinggoodfood.org](http://www.crackinggoodfood.org)) The course will develop confidence as well as support the personal development of the participants. Whilst the project is a non-accredited first step learning it will encourage participants to achieve the Social Enterprise Qualification, a new nationally recognised accreditation run by DEP.
