Employer Supported Volunteering with Victoria Baths

Victoria Baths welcomes Employer Supported Volunteering all year round. There are a variety of roles and group opportunities and all activities make a real difference to Victoria Baths.

If you already have an idea of a kind of activity you or your group would like to do, or if you have a specific skill or set of resources to share with us, please [get in touch with our engagement team](#).

Here are some examples of regular group volunteering activities...

Event Support

Assist the delivery of our fundraising events at Victoria Baths. From setup and decoration making, to promotion and sponsorship. Your involvement will help create memorable experiences for visitors and participants.

Admin Assistance

Contribute to tasks, such as data entry, filing, content writing, skill development or supporting our annual mail outs. Your support in these essential areas will help streamline our operations.

Fundraising and Sponsorship

As a charity we rely on the support of our donors, visitors, and members. Your word of mouth, ideas, team members and networks could help us reach new places to find funding, support and donations.

Maintenance and Painting

Don the overalls! There's a never-ending list of tasks to help us maintain the building. If our schedules align, you could make a huge difference to our ongoing preservation of the building

And not forgetting our annual...

BIG CLEAN Week, February–March

We close for the winter, and by the time we get to reopening we're in need of a very deep clean! Each year we're joined by companies from Manchester and beyond for a week of cleaning and maintenance. It's a "get stuck in" kind of activity, and you will definitely earn your biscuits, you'll also get to see the fruits of your labour as the building comes back to life and we get ready to reopen with our best sides shining!
