

TALK CANCER

Want to attend Talk Cancer training FOR FREE?

Having the skills and confidence to have a short conversation about cancer can make a real difference to the lives of people in your community.

Cancer Research UK can offer bursaries to individual health workers and volunteers who would like to attend one of our Talk Cancer training workshops.

For details on how to apply for a **Talk Cancer bursary**, email talkcancer@cancer.org.uk or call 020 3469 8111.

CANCER AWARENESS TRAINING
