Do you work with children or young people? Would you be interested in learning how to use circus skills in your work setting?
the Circus House are able to offer you a free training opportunity to learn some circus skills and how you can use those skills in your working practice.

This free* 10 week course will equip you with a range of circus skills and show you how you can use them in your workplace.

*Financial support to help attend the sessions is available for Youth/Arts/Early Years workers based in the locality around the Circus House

Please complete the application form in order to be considered for a place on the training course. If you have any queries please contact owen.thecircushouse@gmail.com
