

# giving back

## to our communities

**Working with partners and communities  
to tackle the issues that matter most to you**

We have an opportunity to put funds back in to certain areas of Greater Manchester using money seized from criminals.

We need you to help decide where it's going to be spent to help tackle antisocial behaviour where you live.

Think you have an idea or a project you're involved in/are currently organising that could fit the bill?

View a list of areas that are going to benefit and have a read of the criteria and details on how to apply at [www.gmp.police.uk/givingback](http://www.gmp.police.uk/givingback)

**MANCHESTER  
CITY COUNCIL**

**GREATER MANCHESTER  
POLICE**
