Work alongside a refugee entrepreneur to help them bring their business idea to life.

Giving Back Through Mentorship

Giving Back Through Mentorship

- As mentors, you get the opportunity to work with some of Manchester's inspiring refugee entrepreneurs;
 - You also get the opportunity to share your knowledge and skills with our group of budding entrepreneurs;
 - Through once weekly business development workshops and 1:1 sessions with your mentee.
- 

Giving Back Through Mentorship

- You get the opportunity to meet other mentors,
- And the opportunity to grow your professional and social network.
- You also get the exclusive opportunity and be the first to work with some of Manchester's most promising new businesses.
- As well as opening doors to amazing connections and opportunities now and in the future.

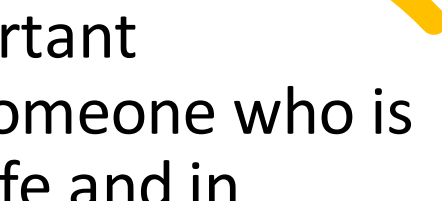

An Experience of a Lifetime

Past Mentors

Someone to speak with

"I know first-hand how important and invaluable it is to have someone who is a positive influence in your life and in helping you achieve your set goals.

Someone to talk with, who listens and gives constructive feedback and guidance.

Someone who can be a source of inspiration.

Someone to show you what's possible and to challenge you to reach your full potential. I wouldn't be where I am today without the help of such mentors".

Deeply Fulfilling and Rewarding

"Being able to speak with and meet these budding entrepreneurs in 1:1 sessions, in person, online or over the phone to learn more about them and their aspirations and to give them tailored guidance is something that I find deeply fulfilling and rewarding".
