

# Gorton Central calling!

We're looking for 2-3 complimentary food partners who are passionate about tackling food insecurity to join our neighbourhood food hub at Gorton Central, Gorton Community Centre.

We're looking for:

- Grocer/pantry style projects that make a reasonable charge for the food (we're not looking to partner with projects that offer free food)
- Enhanced food offers like fresh, healthy meals and meal kits.
- We welcome your ideas too!

## What to expect from HMHC:

- Free 1 day a week access to newly refurbished food-hub at our inclusive and exciting Community Centre.
- Established signposting and referral system for your members.
- Food-aid training and mentoring.
- Shared learning across hub partners and city-wide partnerships.

## What we expect from you:

- Welcoming, inclusive and meeting local need.
- Committed to addressing the underlying causes of food insecurity.
- Uphold food-safety standards.
- Participate in training and hub steering group.
- Collect and submit regular monitoring data.

Interested?

Come along to our Information Events on Monday 25th April 2-3.30pm and 5.30-7pm at Gorton Central, Gorton Community Centre, Highmead Street, M18 8PE.

Send expressions of interest by Friday 29th April. For more info contact Sally at [gortoncentral@hmhc.co.uk](mailto:gortoncentral@hmhc.co.uk) / 0161 222 3633.
