

# Free Organisational Development Support

**Know+Do has been selected as one of the few approved agencies who can now offer FREE organisational development coaching and training in the Greater Manchester area.**

This offer is relevant to you if you want to grow your organisation by creating additional jobs or need support to safeguard your current workforce in an ever changing world.

Working in partnership with the *Business Growth Hub*, Know+Do can provide a flexible package of bespoke organisations development; for example:

- Facilitating an awayday of staff / trustees
- Reviewing a business plan or strategic goals
- Preparing a new strategy for targeting commissioners
- Support to work in partnership with other organisations on bids or service delivery

Using our highly skilled coaches and drawing on a large suite of training modules we can arrange the best business support to the decision makers in your company. Up to 3 days of free support is on offer at this stage.

If you are interested in finding out more and confirming your eligibility, please email [info@knowanddo.com](mailto:info@knowanddo.com) or call 0161 280 4567.

This is a time limited offer and demand is expected to be high. Know+Do will help to assess your eligibility and make the short application to the *Business Growth Hub* to seek approval for the work. No fees will be charged to applicants as all work is resourced by a European Regional Development Fund aimed at growing and supporting SMEs.
