

MANCHESTER SAFEGUARDING PARTNERSHIP online learning

1

Register an online learning account on the [MSP website](#)

2

Select a course to start learning!

Courses covering MSP priority topics are immediately available to you. Some courses require enrolling.

3

Please only have two courses on the go at any one time. This will enable more people across the Manchester locality to have access to the courses

4

Once you start a course, make sure you complete the course within 6 weeks

5

Fill in a 3 question evaluation form after the completion of each course
