

FREE LEARNING DISABILITY AWARENESS TRAINING

Mencap wants people with a learning disability to have the opportunity to achieve the things they want from life...

This training aims to provide you with knowledge on:

- Learning disability
- Differences from difficulties like dyslexia, autism and mental health issues
- Potential barriers that someone with a learning disability may face in the work place
- Skills and strategies for the employer to overcome barriers
- Benefits of employing someone with a learning disability
- How to be more inclusive

“Fantastic course. Very interesting and informative. Supports to give confidence in spreading knowledge in the workplace for both employer and employee” GLH

“Absolutely brilliant training all round. Got more from the experience than expected.” Premier Inn

7,430 people with a learning disability aged 18-64 were in paid employment in 2014/15 in England.

This is 6.0% of people with a learning disability who are known to their local authority.
