

OUR MOSS SIDE PROJECT

EVERY THURSDAY

12PM TILL 3PM

This project was developed with residents from Moss Side and Hulme to create opportunities to meet with other residents from surrounding areas to share accounts and stories about Moss Side past and present.

We plan to interview residents and their friends at 9 drop-in sessions to be held at:

The Ibrahim Maine Centre
27-29 Maine Road, Moss Side, Manchester, M14 4ET

Bring in any documents, photos or memorabilia from your past that show what living in Moss Side as well as the surrounding area used to look like.
