

Live Projects at Manchester Metropolitan University

The **Live Projects Scheme** is an exciting opportunity for local organisations to set a project for a team of Manchester Metropolitan University undergraduate computing students.

Any local organisation, including businesses, charities and community groups, can take on the role of a client and work with our students benefiting from their enthusiasm and knowledge.

You are invited to the Projects Showcase

to be held on Wednesday **18th March 2020** at

Kings House Conference Centre, Sidney St, off Oxford Rd.

The Showcase will be open for visitors and clients between 1.30 and 5.00 p.m. in two sessions, 1.30 to 3.00 and 3.30 to 5.00.

Light refreshments will be available.

The Showcase is an opportunity to see some of the projects our students have worked on in the past year and to discuss your project requirements for next year with the organiser.

Please confirm your attendance, by contacting Janice Whatley
