**SCOPE** = Equality for  
disabled people

## Join group sessions with our friendly advisers who will support you to:

- become more confident, assertive and independent
- develop your CV writing and interview skills
- meet other people in similar situations to you
- find the right volunteering, training or job opportunities for you

“

Everything was done in a friendly and relaxed manner with great support given to help me with a CV, interview skills and to find me voluntary work in a sector I would have never thought about. The course gave me the confidence I was lacking to move forward into looking for full-time work. ”
