What is a Young Adult Carer?

Young Adult Carers are young people aged 16-25 who provide unpaid support to family members or friends who could not manage without their help.

This could be caring for a relative, partner or friend who is ill, frail, disabled or has mental health problems or substance addictions problems.

Who are we?

Manchester Carers Centre is a local charity here to help all Carers who live, or care for someone who lives, in the City of Manchester.
