Boost Your Volunteering!

Proud to be part of

**MANCHESTER
1824**

The University of Manchester

Come along to this interactive 6-week course in partnership with Manchester Museum and Manchester Adult Education to learn new skills, develop confidence and gain volunteering experience.

Inspired by museum collections and drawing on our unique spaces and staff resources, the course is open to Greater Manchester Residents. Learn more about promoting a successful visitor experience and gain an accredited qualification with units in areas such as presentation skills and customer service.

Participants will also have the opportunity to take part in advice sessions including careers guidance and signposting to further learning opportunities.

We welcome participants from all backgrounds and offer flexible volunteer placements and no experience is necessary.

Get involved and register at: lucy.macpherson@manchester.ac.uk

During the course, you will:

- Gain insights from museum guest speakers and apply learning directly through in-gallery sessions
- Learn face-to-face at the museum while also completing some guided online tasks
- Boost your employability, digital and practical skills
- Increase your confidence and other aspects of personal development
- Achieve 2 accredited units with Open Awards (optional)
- Expenses paid
- Chromebook loans and online support provided if required
- Take part in 6 week volunteer placement
