

INSURANCE PROVIDERS:

The following is a list of all the companies offering public liability insurance for community groups that we are aware of, but please be aware that Macc cannot recommend one insurer over another. It is up to you to look into what insurance your organisation will need. For example, if your organisation employs staff, has volunteers, runs events or activities, provides advice, or owns a building, you are likely to need insurance. Without appropriate insurance cover, you may be exposing your group and services users to avoidable and costly risks.

Access Insurance

We build bespoke policies for small charities and non-profit groups, medium and large charities. Our expertise of 20+ years enables us to help hundreds of new charities each month.
