SPORT & RECREATION

Comic Relief: Safe, Secure, Settled

Aims/priorities: Comic Relief are interested in supporting a wide variety of projects and welcome bids from a diverse range of organisations. They are looking for creative approaches to support young people without a safe or secure place to live. All proposals must use sport as a tool for social change in their approach. Comic Relief believes that projects developed and delivered in partnership with the people they aim to support will be more effective in creating positive social change. Projects like this are more likely to respond to the priorities of the people they are trying to reach and be more able to identify appropriate solutions. They may also benefit from greater accountability and legitimacy, and by empowering people to be part of the process, have the potential to build confidence and strengthen community cohesion.

Grant amount: Applications are welcome for a minimum of £100,000 and a maximum of £500,000, over a period of between two and four years

Sporting Capital Loan Fund

Aims/priorities: The Sporting Capital loan fund is England's first social investment fund focused on the sports sector to support the development of community sports organisations and organisations that deliver impact through sport. The goal is to help these organisations to become sustainable; using the investment to support the development of new, or retain and expand existing, revenue streams. The loan funding will be used to help organisations develop new projects, operations and revenue streams. Whilst every organisation's needs will differ, it is expected that the funding will be used for projects and activities such as:

- Equipment to support revenue streams
- Recruitment, training and deployment of staff and volunteers
- Equipment to support business functions, including finance, project management and governance

- Other operating costs

So, for example, the 'bricks and mortar' of a capital redevelopment such as a new roof will not be funded, but the investment to support a community café (new revenue stream) would be considered. This could include café kit and equipment, training deployment of new staff and volunteers, management support to get the café operating and funding towards marketing the new venture.

Who can apply? Organisations that make a difference, or plan to make a difference, to individuals or local communities through sport. In addition, these organisations are looking to do this sustainably by developing existing revenues, or creating new ones, to support their ambitions.

Grant amount: The £3m Sporting Capital Fund provides loan funding of between £50,000 and £150,000 to eligible projects. The simple, repayable, unsecured loans will be tailored to meet the needs of each organisation and will be repayable over three to five years.

Application process: Complete the online form to determine how investment ready you are

Deadline: Applications can be submitted at any time
