

Trustee Advert

Making a big difference in Manchester

“In the charity world small gifts change lives. Gifting a small amount of your time as a trustee can change the world for hundreds of people.”

FAST formed in 1993 and has developed since then to offer a wide range of community services and provision, including support groups and niche projects. Our vision is for a local community where all residents live safe and healthy lives free from inequality. We are right on the high street in the heart of the community and have a well-established reputation. The Trustee Board is led by people who grew up in Cheetham Hill.

FAST's independent charitable status offers unique opportunities to provide the tailored support so many of our residents need.

We are now looking for committed individuals to expand the Trustee Board. It's an exciting time to join this dynamic and successful organisation as we develop into the future.

Being a Trustee is a rewarding position where you can gain vital skills and experience in leadership, management and governance. Ideally you will be someone sympathetic to those in need.

If you have a flexible and imaginative approach to decision-making, are articulate and enthusiastic and want to make a difference in Manchester, we would love to hear from you.
